Remarks

Welcome to this beautifully updated home tucked away on a quiet cul-de-sac in Saint Cloud! This property has been thoughtfully upgraded for peace of mind and modern living, featuring a NEW roof in 2024, a NEW A/C unit installed just months ago, and brand-new flooring throughout with no carpet. The bathrooms have been tastefully updated, adding a fresh and contemporary feel to the home. Best of all, there is no lot rent the buyer owns the land, offering long-term security and value. With its prime location and recent improvements, this home is move-in ready and waiting for its new owner.
